Enough! Charles (inset, with William) "has reached his limit over Harry spilling dirt," reveals a source.

Prince Harry Warns: THERE'S MORE TO THE STORY

Prince Harry didn't *Spare* any details in his explosive memoir — from his physical altercation with Prince William and Princess Kate's wedding war with Meghan Markle to Camilla, Queen Consort, and King Charles III's behind-the-scenes scheming. But it turns out, the royal, 38, held back! "It could have been two books, put it that way," hinted Harry, who says the first draft was originally 800 pages long — double what went to print. "There were other bits that I shared with [ghostwriter J.R. Moehringer] that I said: 'Look, I'm telling you this for context, but there's absolutely no way I'm putting it in there.'" As for what he left out? "There are some things that have happened, especially between me and my brother, and to some extent between me and my father, that I just don't want the world to know," Harry said. "Because I don't think they would ever forgive me." While *Spare* has gone on to break records — it's the fastest-selling nonfiction book of all time — releasing a follow-up would dash any hopes of a reconciliation between Harry and the royal family. Charles, 74, and William, 40, "are preparing themselves for more bombshells should Harry decide to publish another tell-all," says a source. "There is no trust between them anymore."

T.J. & Amy
OUT AT GMA?

Fighting back! "Amy and T.J. feel they've done nothing wrong," shares an insider.

Bad news! T.J. Holmes and Amy Robach's days together at *Good Morning America* may be numbered. "They haven't been fired yet, but word is they're not expected to return," reveals an insider. "The scandal surrounding their relationship was deemed too much of a distraction for viewers, and the feeling among ABC brass is that they simply can't have both of them stay." Amy, 49, and co-anchor T.J., 45, were pulled from the air in early December following an internal investigation into their alleged affair — and they've both since reportedly lawyered up. "ABC bosses would still like to keep Amy on board in some capacity, perhaps on another segment of *GMA*," notes the insider. "Question is: Will she want to stay if T.J. is given the boot? If they both walk away, they'll want massive payouts for wrongful termination."

Putting in a good word! "[She] would be the best," said Kyle.

Kyle: CHRISSY FOR *RHOBH!*

Paging Andy Cohen! Kyle Richards wants Chrissy Teigen to replace Lisa Rinna on *The Real Housewives of Beverly Hills*. "She thinks Chrissy would be a good fit because she's such a wild card," spills a source. "Plus, Kyle isn't stupid. She'd rather have another friend in her corner than someone who will stab her in the back." While the *Cravings* cookbook author, 37, would "definitely" consider joining Kyle, 54, on the show, adds the source, her husband, John Legend, might need some more convincing. "He's not so sure that it won't backfire on Chrissy in a big way," explains the source. "She has a tendency to speak her mind, and it's gotten her into a lot of trouble in the past."

More than friends! "Jennifer really likes Common," says a source.

J-Hud & Common SECRETLY DATING

Has this Dreamgirl finally found her dream man? Jennifer Hudson and Common sent the rumor mill into overdrive in November when the Grammy-winning rapper, 50, was spotted picking up the singer, 41, from the Burbank, Calif., set of her daytime talk show. Now a source confirms that the pair, who play husband and wife in the upcoming action-thriller *Breathe*, have been spending a lot of time together since filming wrapped. "Jennifer and Common have known each other for years, but things took a more romantic turn while they were shooting the movie in Philadelphia over the summer," says the source. "They have kept up the communication ever since, getting together for a meal whenever their schedules allow."

Set the Record Straight!

NAVIGATING A DRY JANUARY

There is a common misconception that a healthy lifestyle should be boring, difficult and regimented. But **Tom Sandoval** and **Tom Schwartz**, of *Vanderpump Rules*, set the record straight. It might sound ironic coming from two bartenders, but with packed calendars and a ton of obligations, they won't risk being off their game by having "one too many" the night before. That's why mocktails are perfect. They're fun, delicious and, in the case of **Hydroxycut Drink Mix** Mocktails, packed with extras.

Sparkling Cranberry MOCKTAIL

On Resolutions & Holding Each Other Accountable

I'm keeping it realistic this year. First off, I think you and I should run at least a half-marathon.

I'm down for a marathon and more exercise in general. I'm 100 percent in.

On Reading

I can get into the reading. I'd choose action novels. For me, getting through a self-help book is on scale with climbing Mount Everest.

I want to read more. I know it's not super exciting (or sexy), but when I'm in my reading mode, I feel more ambitious, articulate and have better follow-through.

On Writing Goals Down

It activates two parts of the brain and is key for recall.

When I write things down, I'm 75 percent more likely to follow through.

On Embracing the Mocktail

Hydroxycut Drink Mix mocktails are fun, delicious, easy, convenient and packed with extras.

Wow, that's really good. I should do this for a living!

This stuff is awesome, it has just the right amount of caffeine for a little pep in your step.

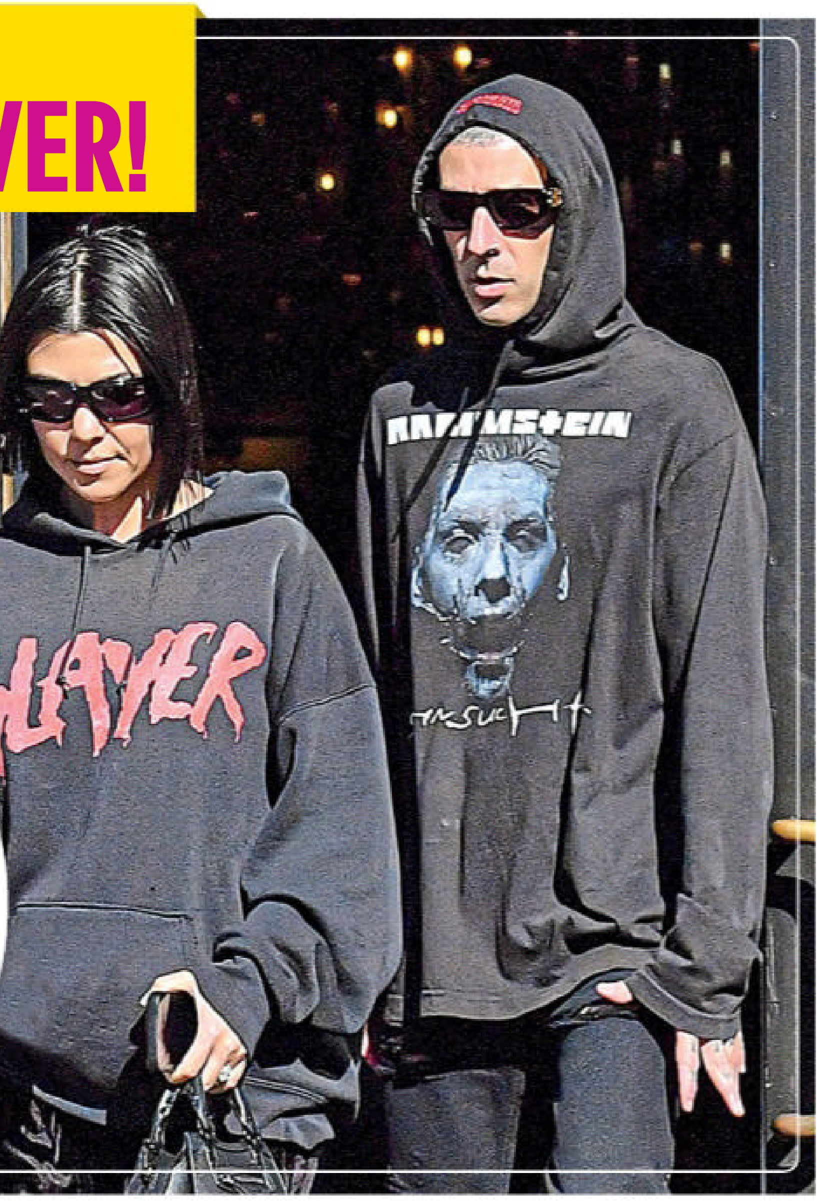
Don't let her down! "Drew's the first guy Selena has fallen for in a while," a source admits.

Selena HEADED FOR HEARTBREAK?

The heart wants what the heart wants! Selena Gomez is hooking up with the Chainsmokers' Drew Taggart, a source confirms to *Life & Style* after the "Hands to Myself" singer, 30, was photographed on Jan. 17 on a bowling date with the 33-year-old DJ at the Gutter in Brooklyn. "It's still pretty early on, but Selena and Drew are having a blast," blabs the source. "The chemistry between them is insane. She's all over him. They're all over each other, actually, and you don't know where to look." Not all of Selena's friends approve of Drew, though. "He's a real charmer and a player, and Selena is all heart and no head at times," says the source. "A few have warned her not to get caught in his spell." During a recent interview on Alex Cooper's *Call Her Daddy* podcast, Drew and his bandmate, Alex Pall, revealed they've had threesomes with fans on several occasions. "Selena's friends just don't want to see her get her heart broken again," adds the source. After splitting from Justin Bieber in 2018, the "old-fashioned" pop star admitted that she can't do casual dating. "I've tried it, and I've never been that girl," said Selena. "I'm always going to be the girl you want to take home to your parents, not for the night." When it comes to Drew's red flags, however, "Selena says she doesn't care what people think. It's her life, and she'll do whatever she wants," the source continues. "She claims to be much tougher than before and is down for some fun with Drew." L&S

Kourtney & Travis
THE HONEYMOON'S OVER!

Kourtney Kardashian and husband Travis Barker have gone from hot-and-heavy to just a regular old married couple. "When they first started dating, the PDA was out of control," says a source. "To the point that their kids would ask them to stop and they'd have strangers on the street telling them to get a room." Nowadays, however, things have simmered down between Kourtney, 43, and Travis, 47. "Yes, they're still in love, but they have issues and problems like anyone else," admits the source. "They're no longer constantly making out. And they even argue! It's like a breath of fresh air for both their families and friends."



Losing the spark? The pair aren't as touchy-feely as they once were, spills a source.

Peta's

Rainbow baby! After suffering several miscarriages, Peta Murgatroyd and husband Maksim Chmerkovskiy are expecting their second child. "I think it was the fastest positive [test] I've ever seen in my life," shared the pregnant *Dancing With the Stars* pro, 36. "I was just shocked!" Peta and Maks, 43, who are already parents to 5-year-old son Shai, have been open about their fertility struggles. "I literally was praying to the gods about this," she said. "It is just a blessing."

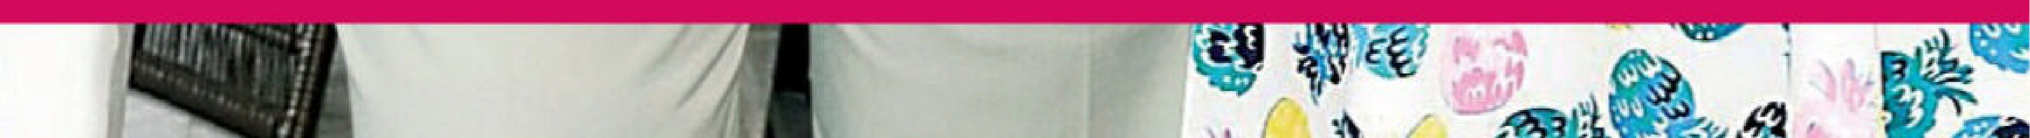
Praising His Ex

J. Lo recently called Jennifer “an amazing co-parent,” adding that the *Alias* actress and Ben “work really well together.”

How Jen &
FINALLY MAD



J.Lo
E PEACE

After a rocky start, Ben Affleck's first and second wives managed to find common ground!

When Jennifer Lopez and Ben Affleck exchanged vows last summer, J. Lo's fantasy became reality. Two decades after they first fell in love — only to split in 2004 before finding their way back to each other in 2021 — they were finally husband and wife. "Some old wounds were healed that day," she's said of their August nuptials, "and the weight of the past finally lifted off our shoulders."

Then reality set in: They had to figure out how to blend the families they'd created with other people. "We moved in together. The kids moved in together," J. Lo said in a Jan. 16 interview with *Today*, speaking of her twins, Max and Emme, 14, with ex-husband Marc Anthony, 54, and Ben's kids, Violet, 17, Seraphina, 14, and Samuel, 10, with ex-wife Jennifer Garner, 50. "It's been, like, a really kind of emotional transition, but at the same time, all your dreams coming true."

And that, says a source, is because Ben's new wife and his first spouse worked through awkwardness and pain to do what was best for their children. "J. Lo got off to a bad start with Jen when she and Ben got back together," says the source. "Jen's a very protective and traditional mother, and J. Lo is a strong personality with her own parenting style. There were a lot of tears in the beginning. But they found a way to make peace."

HEALING THE RIFT

There was a lot to work through. "When J. Lo's children met Ben very early into their rekindled relationship, Jen thought it was way too soon," says the source. "She didn't allow her kids to be introduced to J. Lo until at least six months in."

Things got more complicated when Ben, 50, moved in with the *Shotgun Wedding* star, 53. "At first, J. Lo left Ben to deal with his ex, but soon she took the bull by the horns and arranged to meet up with Jen — alone — to hash out their differences. Jen thought it was a good idea, too," explains the source. "They had dinner, talked, and Jen agreed to let the kids move in as well. But they decided they needed some rules."

Changing Dynamics
"The transition is a process that needs to be handled with so much care," J. Lo has said of combining her and Ben's families. "But it's going really well so far."

Exes & Friends!

Brandi & LeAnn

Eddie Cibrian, 49, cheated on Brandi Glanville, 50, with LeAnn Rimes, 40. After years of drama, Brandi and Eddie's sons inspired the ladies to make amends. Now, "LeAnn and I get along really well," Brandi's said.

Emma & Demi

Demi Moore, 60, has said that she and Emma Heming, 44 – who's wed to Demi's ex Bruce Willis, 67 – are "mothers united, sisters bonded on this crazy adventure of life."

Allie & Drew

"I won the lottery," Drew Barrymore, 47, shared of former spouse and baby daddy Will Kopelman, 44, marrying Allie Michler, 35.

Gwyneth & Dakota

"I love her," Gwyneth Paltrow, 50, has gushed of Dakota Johnson, 33, who's been in a relationship with the Oscar winner's ex-husband, Coldplay singer Chris Martin, 45, since 2017. "I just adore her."

J. Lo and Jen "came to a general agreement that they wouldn't get into each other's faces," notes the source. "But it was also determined that Violet, Samuel and Seraphina have to call the parent they're not with every night and should also go to therapy to ease the transition."

According to the source, the women have, additionally, implemented regular "blended family hangouts" — where J. Lo and Ben, as well as Jen and her partner, businessman John Miller, 44, all spend time together with the kids. They've had big group dinners, notes the source, and "even sung karaoke!"

MODERN FAMILY

In other areas, they're finding ways to be flexible. "For example, where the children stay could change based on work schedules," explains the source, adding that at 17, Violet has more of a say in things than her siblings. Humor has helped, too. J. Lo and Jen can joke about things, like managing Ben, says the source: "They've poked fun at his quirks, like his addiction to Dunkin' Donuts, and they're both trying to get him to quit smoking!"

While not exactly BFFs, they're hardly enemies these days. "J. Lo and Jen are in a better place," says the source, explaining that though their relationship "has been a roller coaster of emotions, they both love the kids and agree that their happiness is the most important thing." L&S

INSIDE BENNIFER'S LOVE NEST

Home sweet home is a rental — for now. After months of shopping for a new LA mansion to purchase together, reports confirm Ben and J. Lo ultimately decided to instead make her Bel Air mansion their family home. (Ben sold his Pacific Palisades bachelor pad for $28.5 million in October.) While J. Lo's place undergoes renovations, they're renting a $60 million, 29,000-square-foot, seven-bedroom Beverly Hills property that boasts multiple guesthouses, a hair salon, movie theater, gym and more.

Happy for Him

"Kim wants what's best for Kanye, and she knows he is happiest and healthiest when he's in a stable relationship," says an insider.

The Newlyweds

Kanye and Bianca have been spotted wearing rings on their fingers, but have yet to apply for an official marriage license. "It's very real to them," says a source. "Kanye calls her his wife."

KIM GIVES KANYE'S MARR HER BLESSING!

That was fast. On Jan. 13, news broke that Kanye West had wed Yeezy employee Bianca Censori less than two months after finalizing his divorce from Kim Kardashian. To commemorate their quickie union? The rapper and the Australian architect — who's a dead ringer for the Skims founder — reportedly honeymooned at a luxury resort in Utah the week prior.

Kim's celebrating, too. Though the 42-year-old posted, and then quickly deleted, a cryptic quote

seemingly in response to Ye's vow swap on Instagram — "I'm in my quiet girl era, I don't have much to say. Just much to do," it read — *Life & Style* has learned that, privately, she's pleased with the unexpected turn of events. "Kim felt a lot of responsibility for Kanye — even after the split," explains a source. "Now, she feels relief that there's someone else to look out for Kanye — someone living with him, talking to him and making him feel special. She sees this marriage to Bianca as a great step for their family."

IT AIN'T YEEZY

Kim's main focus is her four children with Kanye: North, 9, Saint, 7, Chicago, 5, and Psalm, 3. That's why she says she's shielded them from unflattering headlines, like Ye's recent antisemitic rants.

"It's in her best interest to make sure Kanye is happy and healthy," says the source. "But the burden has been hard, especially when he was threatening her boyfriend [now-ex Pete Davidson], spilling secrets about her and the other Kardashians, and saying things she wholeheartedly disagrees with. She had to look past that for the sake of her kids and maintaining their close relationship with their father."

Having Bianca in the picture removes a lot of that stress from Kim. Even better? The 28-year-old has worked with the designer, 45, since 2020, so likely won't be thrown for a loop by any erratic behavior. "Kim has always maintained that Kanye is a great dad, and she sends babysitters she trusts with her kids, too, so she's not worried about them spending time with Kanye and Bianca as a couple," says the source. "In fact, she sees Bianca as one more person who can help watch out for the children. She gives their union her blessing."

Another huge perk: Kim can now finally move on with her own life. "One great thing that will come from Kanye getting hitched again is that he will stop talking about Kim so much and terrorizing anyone whom she dates," says the source, noting Kim's previously expressed worry over potential suitors being deterred because she doesn't have "the easiest ex." "He'll finally stop obsessing over getting back together with her, hopefully — or that would be pretty awkward for his new marriage!" L&S

IAGE

Kanye West found a new woman to take him off of ex Kim Kardashian's hands...

HE WASN'T ALONE FOR LONG

More Than Pals?

Russian-born model Irina Shayk met Kanye in 2010 when she appeared in his "Power" video. Eleven years later, just months after Kim filed for divorce, Irina, 37, and Ye were spotted together in France, sparking romance rumors. Irina played it coy, telling *Highsnobiety*, "I'm just keeping it to myself."

Not Over the Ex

Influencer Vinetria, 22, reportedly began hooking up with Kanye in fall 2021, and they stepped out publicly for Donda Academy's debut basketball game in Minneapolis. Things went south that December following a plea by Ye for Kim to come back to him during a concert.

Dreamy Romance

Actress Julia Fox, 32, met Kanye at a New Year's Eve 2021 performance. A week later, he surprised her with a photo shoot at Carbone and a hotel suite full of clothes. "It was every girl's dream," she wrote in *Interview*. "Who does things like this!" Alas, by Valentine's Day, they were done.

Courtside Couple

Kanye and model Chaney Jones were first spotted together in January 2022. A regular at home games for the Miami Heat and LA Lakers with the rapper, the 24-year-old also posted pics of herself in Yeezy attire captioned: "His muse." Even though she got a "Ye" tattoo, they split after five months.

Late Fall Fling

Last October, Kanye was snapped at a restaurant with Brazilian model Juliana Nalú. She retweeted the photo with a black heart emoji. But after Ye went on an antisemitic rant in December, an Instagram follower asked how the 24-year-old could date him. Her reply? "I'm single."

SCARED KELLY FLEES HOLLYW

After a terrifying stalker violates a restraining order to stay away from her LA home, Kelly Clarkson looks to move to the Big Apple!

To celebrate Martin Luther King Jr. Day, Kelly Clarkson belted out a rendition of Nat King Cole's classic "Unforgettable" on her daytime talk show. The *Kelly Clarkson Show* audience clearly approved — giving the Jan. 16 performance thunderous applause.

But there's one thing Kelly, 40, wishes she *could* forget. Less than a week earlier, a 56-year-old woman who's been stalking the star violated a court-issued restraining order to stay 100 yards away from Kelly's home in the Toluca Lake neighborhood of LA. Security footage reportedly caught the stranger in a Mazda SUV slowly driving past on four separate occasions.

Now the terrified "Stronger" singer wants out of Hollywood. "Kelly is in talks to move production of *The Kelly Clarkson Show* to New York. She initiated the conversation because this woman keeps returning to her house," an insider reveals to *Life & Style*, adding that the host's kids — River, 8, and Remington, 6 — are her No. 1 priorities. "She feels unsafe with a stalker on the loose and is having sleepless nights over her children's safety, too. She has tem-

porarily fled the property and is staying in a secret location."

LIVING IN FEAR

A judge granted the order of protection against the lady in December after she showed up at Kelly's house 18 documented times, often leaving weird, unwanted gifts. Scarily, she hasn't been the only trespasser. At the end of 2022, Kelly also got a temporary restraining order against a man who allegedly came, uninvited, to her home three times on Thanksgiving Day and again in December. He attempted to make contact with Kelly, peered over her privacy gate and even snapped a photo of a car the celeb's kids were riding in.

"The LAPD is working hard to protect Kelly; they're doing regular checks on the house," insists the insider. "Plus, Kelly has hired additional security who are always patrolling the grounds."

Even so, Kelly is ready to leave LA. "Crime is at an all-time high: Celebrity mansions in Hollywood are getting broken into on a frequent basis, and residents are being mugged on the street," notes the insider. "Kelly finds the traffic terrible, as well, and the people kind of flaky. She feels that New York could be a better and more practical place to raise her children."

While her Emmy-winning show hasn't been greenlighted for a cross-country move just yet, the insider says Kelly has already started looking for apartments in the Big Apple. "If it doesn't happen, moving to Montecito or building a ranch in the Santa Barbara area is an option," shares the insider. "So many other famous people live in that neck of the woods nowadays, and Kelly really loves it there too." L&S

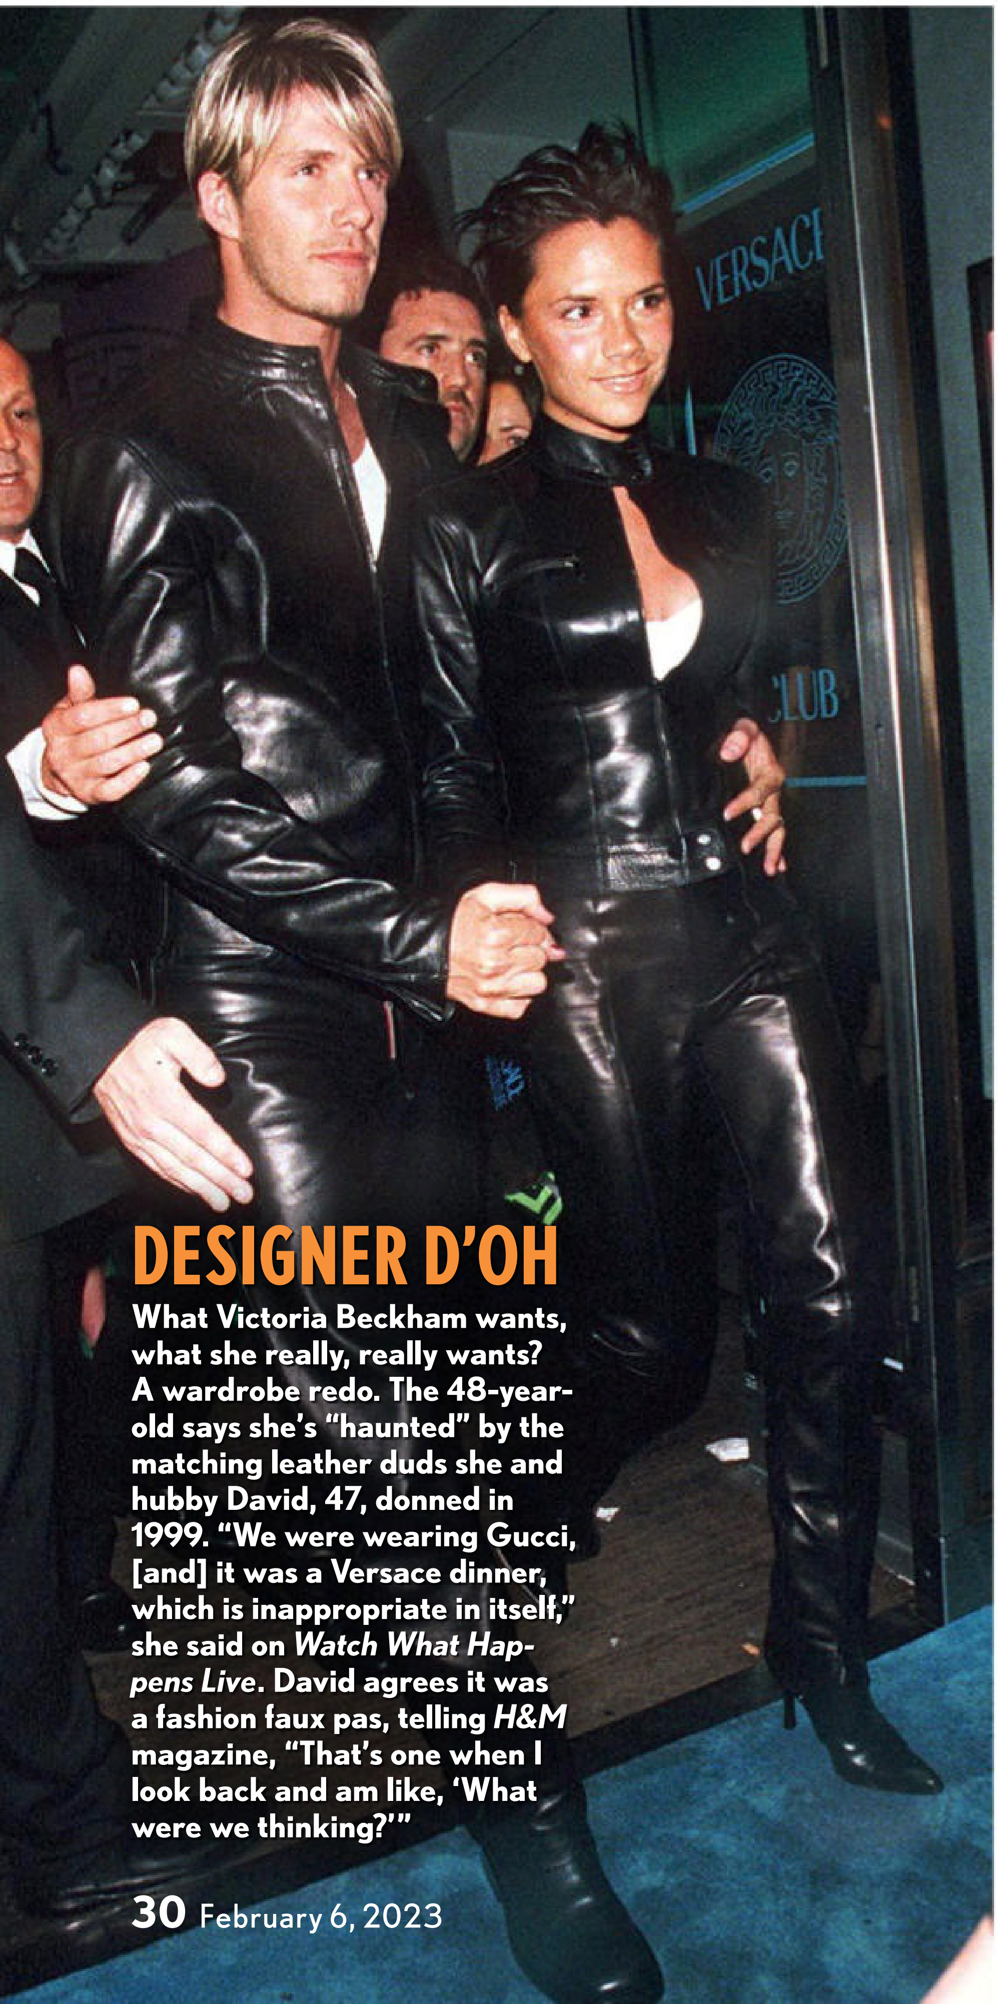
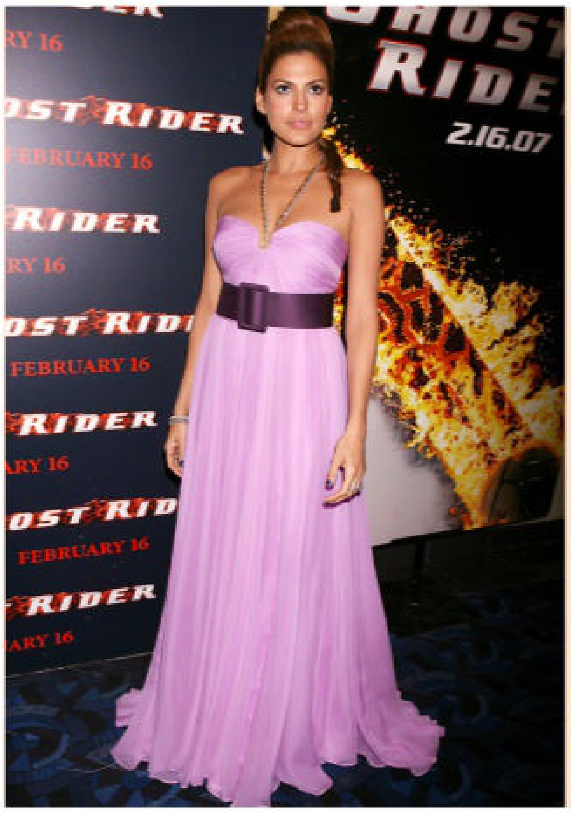
FASHION HALL

These looks inspired stars to put *themselves* on the worst-dressed list!



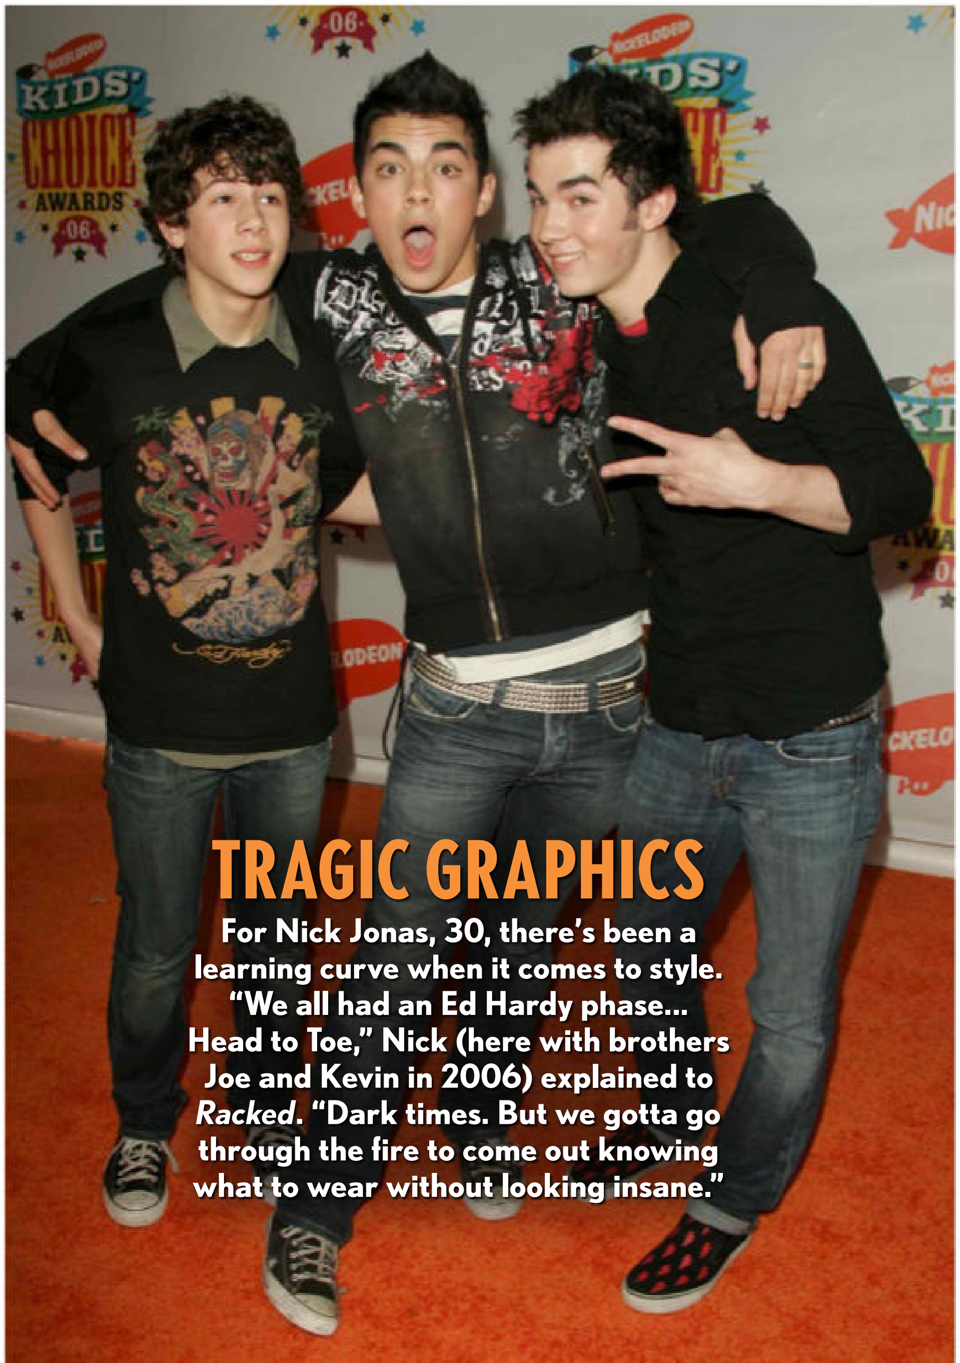
DESIGNER D'OH

What Victoria Beckham wants, what she really, really wants? A wardrobe redo. The 48-year-old says she's "haunted" by the matching leather duds she and hubby David, 47, donned in 1999. "We were wearing Gucci, [and] it was a Versace dinner, which is inappropriate in itself," she said on *Watch What Happens Live*. David agrees it was a fashion faux pas, telling *H&M* magazine, "That's one when I look back and am like, 'What were we thinking?'"



DISNEY DON'T

Topping Eva Mendes' list of red-carpet regrets is the premiere of *Ghost Rider* in 2007. But she doesn't blame the "beautiful" Reem Acra gown. "I had to finish my hair and makeup in the back of an SUV," Eva, 48, told *NBC Latino*. "The way I put everything together, it was a Princess Jasmine gone wrong. The strapless, purple dress with necklaces and hair in a really high braid…not a good look."



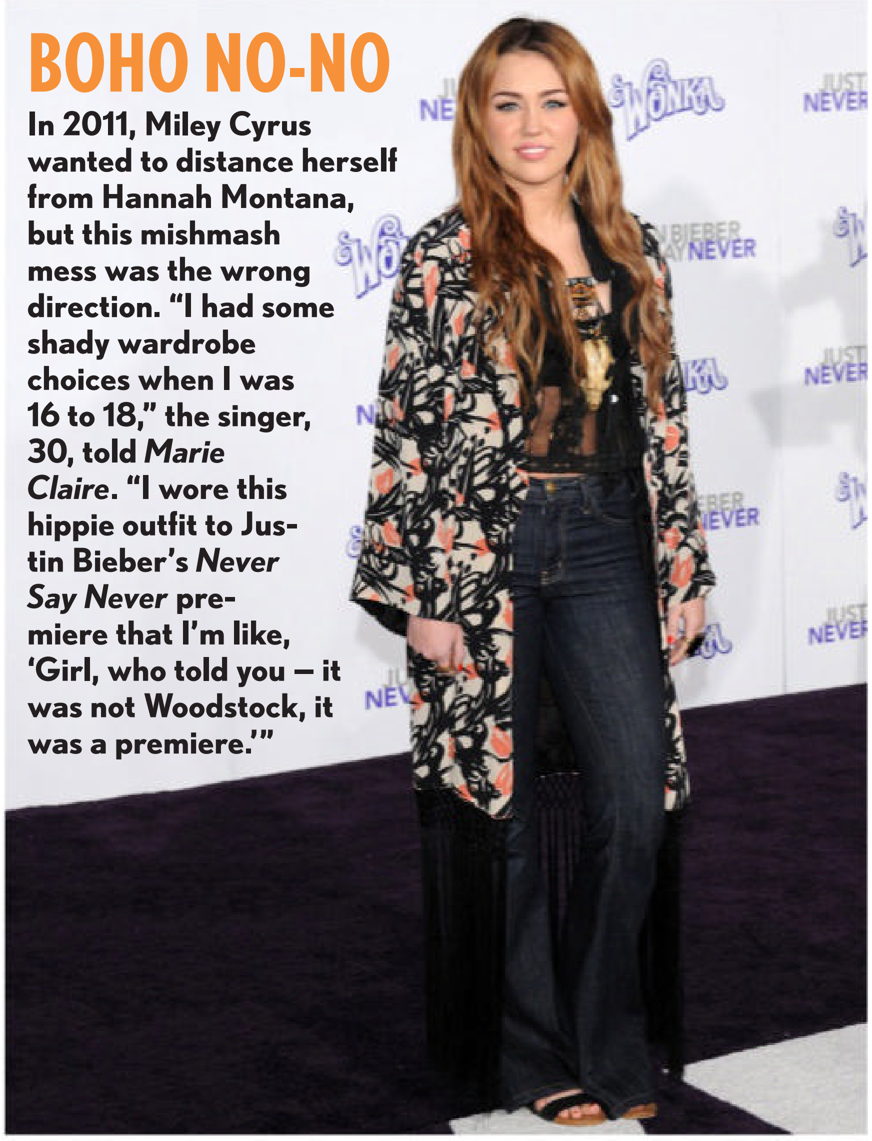
TRAGIC GRAPHICS

For Nick Jonas, 30, there's been a learning curve when it comes to style. "We all had an Ed Hardy phase… Head to Toe," Nick (here with brothers Joe and Kevin in 2006) explained to *Racked*. "Dark times. But we gotta go through the fire to come out knowing what to wear without looking insane."

OF SHAME

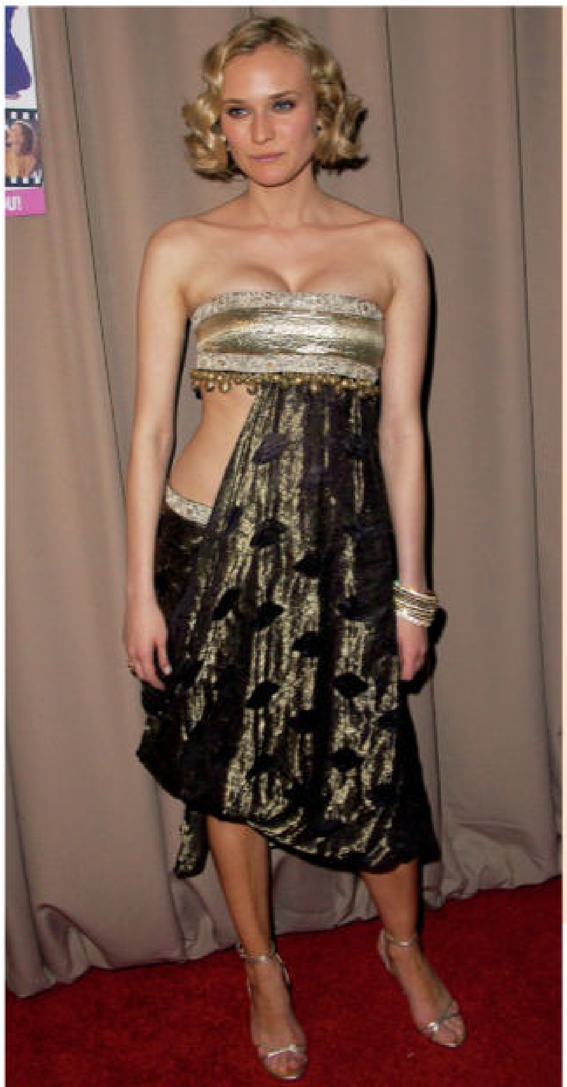
QUIRKY & NOT-SO-COOL

Hilary Duff often has a hand in dressing alter ego Sophie on *How I Met Your Father*, and did the same when starring in Disney's *Lizzie McGuire*. "There's moments I'm proud of with Lizzie McGuire and how she dressed, and there's moments that I'm not," Hilary, 35, admitted at the TCA Winter Press Tour for *HIMYF* on Jan. 11. "It was me, and I was very funky at the time and very colorful.... I have matured a little bit."



BOHO NO-NO

In 2011, Miley Cyrus wanted to distance herself from Hannah Montana, but this mishmash mess was the wrong direction. "I had some shady wardrobe choices when I was 16 to 18," the singer, 30, told *Marie Claire*. "I wore this hippie outfit to Justin Bieber's *Never Say Never* premiere that I'm like, 'Girl, who told you – it was not Woodstock, it was a premiere.'"



GOLDEN GOOF

"I love Marchesa, I love [designers Georgina Chapman and Keren Craig], and I don't know why we talked ourselves into this dress," Diane Kruger, 46, shared with *InStyle* of her 2005 Golden Globe Awards getup. "It was gold and my belly was exposed, but I decided to do retro hair. I had a short bob then. It was not a good look."

Man of Many Talents

Actor, writer, musician, producer, director…this star, 56, does it all! He spent 11 years on *Saturday Night Live* and also co-created and headlined another sketch comedy series set in the Northwest. But most recently, he shaved his head for a shocking arc on *Wednesday*!

Brimming With Character

Built in 1930, this 4,300-square-foot home in LA's Griffith Park area was designed to mimic a hunting lodge with soaring ceilings, wood-paneled walls, massive fireplaces and epic arched doors and windows. The eccentric celebrity no doubt adores the unique feel!

Space for One (or Two) More

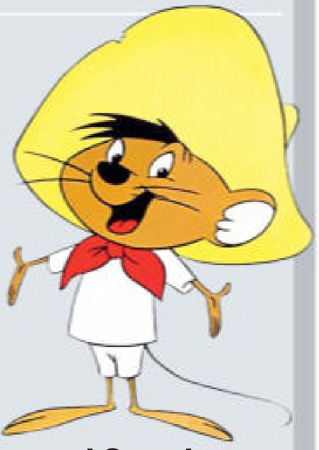
If these walls could talk! The four-bedroom, four-bathroom abode's previous owners include Black Dahlia murder suspect Dr. Paul DeGaston and *Grey's Anatomy* alum T.R. Knight. According to reports, its latest famous inhabitant plans to reside here with his actress partner.

GET A CLUE

Clue #1

What are former castmates for? A multi-instrumentalist, this guy founded 8G Band, the house band for *Late Night with Seth Meyers*, in 2014, and still periodically returns to play guitar and drums on the NBC show.

Clue #2



He's been the voice behind scores of animated favorites in series and films like *The Smurfs*, *Final Space* and *Big Mouth*. Notably, he portrayed Speedy Gonzales on *The Looney Tunes Show* from 2011 to 2013.

Clue #3

Given his musical prowess, it's not surprising the entertainer is a Grammy winner. Alas, his 2019 gong actually came from the Best Comedy Album category.
